Dear Potential 2019 Parade Participant:

On behalf of the Greater New Haven St. Patrick's Day Parade Committee, it is with pride & great anticipation that I extend an invitation to your organization to submit an application for entry in the Greater New Haven St. Patrick's Day Parade on Sunday, March 10, 2019.

The Greater New Haven St. Patrick's Day Parade will once again partner WTNH 8 to broadcast the parade LIVE and provide real-time commentary. WTNH News 8, an ABC affiliate, holds the distinction as Connecticut's first television station. Our partnership with WTNH News 8 provides for a larger viewing audience for all participants

We believe marching with us is a terrific opportunity for any organization to experience a tradition going all the way back to 1842. The Greater New Haven St. Patrick's Day Parade is the sixth oldest St. Patrick's Day Parade in the United States and the oldest in New England. Historically we have had over 3,100 marchers and more than 250,000 spectators along the parade route. It has received national recognition in the Library of Congress, in a project entitled Local Legacies, which commemorates and celebrates America's richly diverse culture.

Marching units compete for professionally judged parade awards. The skillful and well-rehearsed performances attract spectators to what has become the largest single day spectator event in the State of Connecticut. The parade route is approximately 1.3 miles long and units march on level ground the entire way passing sections of downtown New Haven, including the Yale University campus, and continuing pass the reviewing stand located across from the historic New Haven Green.

In closing, I would like to take this time to thank you for your potential participation in this free cultural event. The members of the Parade Committee proudly organize this annual event for the Greater New Haven community. Please feel free to contact me at any time should you have any questions regarding the application process for the 2019 Parade. We greatly appreciate your continued support and look forward to marching with you on Sunday March 10, 2019.
